

Tenants Consultation

Date 17/09/2024

Attendance – Andrew Loen

Discussion Points- likes photo and logo on front page, feels the Annual Report has very good content, and very informative, all pages are easy to understand with clear information that keep the attention, charts/tables are easy for all to see and understand, Takes ownership.

Colours- To many colours on some pages, discussed the liking of the colours on page 6 and 7.

A suggestion was made for Chairperson foreword page, it would be nice to see a piece from Pauline.

We looked at examples of Cernach, Pineview Annual Report - Overall view was a dislike due to the amount of content on the one page, information very disjointed, no charts to easily show information.

We looked at Partick Housing Annual Report – very clear reading and flow of the content, well-spaced, likes the tenant participant photos shows involvement.
